==

Other Footprinting Tools

Objectives:

- List commonly used Footprinting specific tools

- We've looked through many different footprinting and recon tools in the domain, but here were are doing an episode called 'Footprinting Tools'?
  - Other tools we haven't mentioned yet
  - Commonly used by Ethical Hackers
    - Foca (Fingerprinting Organizations with Collected Archives)
      - Find metadata from target domain
    - https://github.com/ElevenPaths/FOCA
    - OSINT Framework
      - https://osintframework.com/
    - Recon-Dog
      - API-driven recon tool
      - https://github.com/s0md3v/ReconDog
    - Maltego
      - https://www.maltego.com/maltego-community/
    - Recon-ng
